FREE Demonstration

Mon/Tues, June 15 & 16, 10:00-4:00

Penny Flick
"Intro to Watercolor Monoprinting"
\$100 members/ 140 non-members
Includes materials. 767-1961

This class is intended to introduce artists and non-artists alike to handmade prints using watercolors and a press. Bring your own watercolors, palette, small brushes, plenty of enthusiasm and lunch! Students will learn from examples, discussion and demonstration by an award-winning printmaker. Plates, paper and use of the press will be provided. You will prepare your own plastic plate, paint or draw on it and print it. You will have plenty of time to create several small monotypes. These can be incorporated into other art (stay tuned for a collage course!) or used for personal notes and cards. A complete supply sheet as well as printed directions will be provided when you register. This is an easy technique, so come to learn, enjoy and unleash your inner creative self!
